

# VINTEX

NEGOCIANT EN VINS DEPUIS 1982

CHÂTEAU

LASSALLE / 2018

AOC GRAVES RED WINE

Our vineyard is located between La Brède and Saint-Selve, and stretches over two small islands.

The estate covers 16 hectares (HEV 3), nine of which are planted with red and seven with white.

We apply an integrated farming system at the vineyard, so we work the soil and manage the vine according to the type of terroir and to the five grape varieties grown at the estate.

The reds are planted on a gravelly plateau made up of small pebbles, quartz and flint. Its nutrient-poor, well-drained soils are ideal for achieving optimum Cabernet Sauvignon (50%) and Merlot (50%) maturity.

---

**Average age of the wine:** 20 years old.

**Yields:** 45 hectoliters per hectare.

**Aging :** French oak barrel for 12 months (30% new, 70% one wine)

**Blending:** 60% Cabernet Sauvignon, 40% Merlot

## Tasting note:

Brilliant ruby robe with an aromatic nose of fresh black-fruit and empyreumatic notes.

It is a generous wine with elegant tannins and a long spicy finish.

It goes well with red meat, games and cheese.

*Silver Medals Bordeaux Wine tasting 2018*
